

Sponsorship Packages

A unique opportunity to sponsor the 10th Health Enterprise East Health Innovation Awards.

Awards Dinner 9th June

The Health Enterprise East Innovation Competition for NHS staff is regarded as a key event and promotional opportunity for national and international companies/organisation alike.

Bringing together key figures from the NHS, research networks, biotech and medtech companies and other professions, the awards dinner offers fantastic networking and promotional opportunities.

Packages Available

Other bespoke packages are available on request.
